		<b>PUBLIC HEARING</b>
The Principal Training Program (AB 75) - Approve Local Educational Agencies (LEAs) and Consortia Funding Applications.		

---

**Recommendation:**

The California Department of Education requests State Board of Education approval of LEAs and Consortia members who have submitted applications for funding under The Principal Training Program (AB 75).

The California Department of Education staff recommends that the State Board of Education approve the attached list of LEAs and Consortia applications by name only. Administration of funding is dependent upon further information to be provided by LEAs, such as names of administrator participants, and number of hours in actual training. It is feasible that initial award requests will be amended throughout the three-year funding period.
